

2018 Kettle Hills Wednesday Junior Golf Series

7-Week Junior Golf & Clinic Series: 6/20, 6/27, 7/11, 7/18, 7/25, 8/1, 8/8, *(rain dates 8/15, 8/22)*

Our featured program consists of a combination of golf clinics and actual on-course play. The 7-week program has 3 divisions based on the child's age, ambition for the game, and physical capabilities. The purpose of this program is to teach juniors the fundamentals (basic rules, grip, stance, alignment, balance, short game and full swing) of golf in a 25-30 minute, clinic style format each week followed by golf with their peers. The 7th week (last day) will feature a 9-hole team scramble followed by a lunch banquet and raffle. (Teams will be made by Kettle Hills staff and split between 18, 9 & 5-holers as equally as possible to make the teams as even as possible).

Please note, this series is not individual lessons. It is designed to cover a different portion of the game each week (rules & etiquette, grip, stance, putting, chipping, woods, etc.), appeal to a large range of abilities within each division and provide a platform for juniors to enjoy a day at the course with their peers. If you are looking for more detailed instruction, please look at our **GOLF CAMP options.*

This **Wednesday** morning program is designed to be an introduction to golf for the child who has no prior golf experience and is not quite ready to play on the actual golf course. We will be using SNAG Golf equipment that is designed for use with children ages 4-8. Juniors will be assigned to 25-30 minute clinic sessions of 8 students maximum (as individuals or with friends) with the first session beginning at 9:30am. Following the clinic portion, the group will play our SNAG Course (4-holes) to try their new found skills. Kettle Hills staff chaperones provided for the SNAG Course. Parents are encouraged to accompany the juniors. The SNAG equipment will remain out for 1 hour following the final clinic for juniors who want to stay longer.

More information about the SNAG golf system can be found at snaggolf.com.
