

# Kettle Hills 2019 Tuesday Morning Junior League

Tuesday Mornings – 7/9, 7/16, 7/23, 7/30, 8/6, 8/13, *(rain dates 8/20, 8/27)*

**General Information:** This junior golf league is intended to provide a fun, friendly environment for juniors interested in learning more about match rules and scoring while preparing them for high school, PGA junior tour, WSGA amateur and college competition. Players will be split into 2 divisions and given a match schedule with the first tee time beginning at 10:00am. The format will be head to head NET match play with points accumulating throughout the season. We will have a welcome meeting to provide league rules and match schedules as well as a post league awards lunch on the last day. Please complete an application for each child you wish to register.

**Golf Clubs and Physical Requirements:** All league players must provide their own clubs and be responsible enough to walk 9-holes without parental supervision. It is highly recommended that parents have their children fit for junior golf clubs. Properly fit junior golf clubs are lighter and easier to carry, more flexible and built for slower swing speeds likely making a big difference in your child's future success in the game of golf. If you need clubs for your child, Kettle Hills recommends the brand Tour Edge. They are high quality, affordable and available for purchase through the Golf Shop. Please free to us at 262-628-0200 for more information.

**Practice Rounds:** In order to establish a starting handicap for each junior, the registration fee includes 2 practice rounds on the Rolling 9. Juniors should play those practice rounds **at least a week prior** to the start of league and turn their scorecards into the golf shop to be recorded.

Golf can potentially be a dangerous sport, and although Kettle Hills Staff will do their best to create the safest environment possible, accidents can happen. Kettle Hills will have rangers on the course to help guests with any problems that may arise, but it is the parents who shall remain responsible for the well-being of their children while at Kettle Hills. Parents are welcome to accompany their children on the Golf Course but cannot provide any playing advice during the round. As the parent of the minor listed above I acknowledge that my child's welfare is my responsibility and release Kettle Hills Golf Course and it employees from any liability.
