By holding the sign-up over one weekend, we will be able to gather information in a timely fashion in turn giving parents and students plenty of preparation and planning time. Time slots/pairings will be filled on a first come, first served basis beginning at 9:00am on Saturday morning.

Parents are encouraged to sign up their juniors in person, however, phone calls will be accepted if you can't make it.

We do our best to accommodate everyone, but there is a maximum capacity & spots will fill up fast. Registrations for the Junior Series' will be accepted by phone, email or in person after the sign up weekend, but please note that time slots/pairing options may be limited by that time.
