Season Pass Rules and Regulations

- **Season Passes for 2:** – Are non-transferable, meaning the pass is valid for two specific people all season, not just any 2 players.
- **Play is available during open tee time hours only** – The front gate opens 30 minutes before the first available tee time of the day. Not all courses are available for play every day. Please be sure to check with the golf shop for availability.
- **Kettle Hills reserves the right to close any of the courses at any time for functions and events** – Kettle Hills plays host to many events and outings over the golf season. These events are booked in advance and receive priority over all other play. Please contact the Golf Professionals for any information regarding scheduled events.
- **Pass holders must check in with the golf shop prior to each round** – The Golf Shop staff must be aware of where all players are on the course at all times. Additional rounds or jumping courses is not permitted without the permission of the Golf Shop.
- **Tee times may be made up to 14 days in advance.**
- **Single players are not allowed to make advance tee times. Please call on the day of play.**
- **Kettle Hills reserves the right to pair up players and single cart riders.**
- **Damage** – All golfers are responsible for any damage caused to any Kettle Hills property. In addition, all members shall hold Kettle Hills harmless for any incident caused while on property. Should any damage occur, Kettle Hills reserves the right to suspend any season pass until such damage is paid for.
- **Cart pass is valid for the pass holder/s only** – Any other riders must pay the ½ cart riding fee if taking a cart.
- **Cart rules** – All drivers must be at least 16 years old and hold a valid driver license.
